

## TIDY IN CROCHET.

BY MRS. JANE WEAVER.

This is in Roman colors, Princess Royal Stitch. The materials are half an ounce of white single zephyr; one ounce of scarlet; one ounce of black; one ounce of blue; one ounce of yellow; half an ounce of green.

With the white wool begin the center stripe with one stitch, widen on each side until you have ten stitches upon the needle, work a piece half a yard in length, and then narrow to a

point. Work two blue stripes in the same way observing to decrease in length in the proportion seen in the design, two scarlet stripes and two green ones ditto. Work one row in single crochet all round each stripe, using the yellow wool, or floss, if preferred. Work the pattern in cross-stitch with the black wool, and finish with tassels of the wool mixed. It will make a pretty Christmas gift!
