VOICE. *Molto moderato e sempre legato.* In - to slum - ber will I sing thee—

PIANO. *p* *rit.* *a tempo.*

Close those wea - ry eyes of thine; And thy mo - ther's songs shall wing thee In - to dream-land, ba - by mine!

In - to dream-land, ba - by mine! Near thou creep'st now winds are wail - ing O'er the moor-land bleak and bare,

*colla voce.* *a tempo, ma un poco agitato.*

Soon thy spi - rit will be sail - ing On through dream-land's fai - ry air.

*molto tranquillo.*
