RATES OF POSTAGE FROM ALL PARTS OF THE UNITED KINGDOM, THE CHANNEL ISLANDS, AND THE ISLE OF MAN.

Letters under ½ oz., prepaid	1d.
" " 1 oz. "	2d.
" " 1½ oz. "	3d.
" " 2 oz. "	4d.
" " 2½ oz. "	5d.

and so on, at the rate of 1d. for every additional half-ounce or fraction of half an ounce. No limit exists to the weight of paid letters, but no inland letter must exceed 2 ft. in length, or 1 ft. in breadth or depth. All inland letters must be prepaid in stamps, except letters posted at St. Martin's-le-Grand before five p.m. daily by one individual or firm collectively, postage of which amounts to 42 or upwards.

Letters by private ship, under ½ oz., 6d., except Belgium and Holland. Newspapers 1d.

UNPAID LETTERS.—Persons sending letters by post unpaid, which from any cause cannot be delivered, are liable to pay the postage so charged, under the 3rd and 4th of Victoria, cap. 96, and the 10th and 11th of Victoria, cap. 85; and, under the 1st of Victoria, cap. 38, may be recovered, with costs, by a summary process before a magistrate.

A letter when posted is considered the property of the person to whom it is addressed, and the receivers may not therefore give back a letter under any circumstances whatever.

Re-directed letters subject to a second postage at the rate charged for prepaid letters.

Soldiers' or seamen's letters are subject to a postage of 1d. if prepaid and under ½ oz.; by private ship 1d. gratuity in addition must be paid. Letters from abroad sent by or addressed to soldiers or seamen, when unpaid, are charged 2d. If sent to or through a foreign country, they are liable to foreign rates in addition, but to no further charge upon redirection.

Letters from soldiers or seamen to the United States are subject to the United States' rate of 2½d. in addition to the usual reduced rate, the whole to be paid in advance when posted in this country.

By using embossed post-office envelopes all risk of the stamp being detached is avoided; this is an important matter, since letters addressed to many places abroad are altogether stopped if the stamp has fallen off. Every rural messenger is now authorised to sell stamps and embossed envelopes.

REGISTERED LETTERS.—Inland, colonial, and ship letters can be registered upon payment of 4d. for inland, and 6d. colonial and ship letters, beyond the postage.

Registered letters for France, and countries through France, must be prepaid with double the amount of the ordinary postage, and those for Prussia, and countries through Prussia, must have the foreign registration fee and postage paid in addition to the British. Registered letters for Russia must be prepaid with double the amount of the ordinary postage. Registered letters must be posted half an hour previous to the ordinary letters, but are received at the General Post Office, and at the chief district and branch offices in London, up to the latest time for posting, on payment of an additional fee of 4d.

NEWSPAPERS (stamped) sent by post must be made up in covers open at the sides, have the impressed stamp visible, and no marks or writing (other than the address) thereon, or anything inclosed, or it subjects them to letter postage. British newspapers, when duly stamped, are forwarded free throughout the United Kingdom (except those delivered within three miles of the place where posted, which are charged 1d.) Unstamped newspapers, if weighing under 4 oz., may be forwarded between places in the United Kingdom by affixing 1d. postage-stamp. For places abroad, the impressed stamp is valueless, as the postage must be prepaid by postage labels.

Note.—Newspapers for foreign parts and colonies, if posted later than fifteen days after date of publication, are charged letter postage.

POSTAGE OF THE ILLUSTRATED LONDON NEWS,

CONSISTING OF NUMBER AND HALF-SHEET SUPPLEMENT.

(May be taken as a guide for most Newspapers).

Copies bearing the impressed stamp (which must be exposed to view) circulate FREE through the Post Office for fifteen days from the date of publication to all parts of the United Kingdom and the Channel Islands; unless addressed to persons living within three miles of the place where they are posted, when they become liable to a postage of one penny each, which must be prepaid by affixing a postage-stamp. Unstamped copies should have Two penny postage-stamps affixed to each.

Under 4 oz., prepaid	1d.
" 8 oz. "	2d.
" 12 oz. "	3d.

and 1d. for every additional 4 oz., or any less weight; no parcel to exceed 24 in. any way, but may contain more than one book, &c.

A BOOK PACKET may contain writing (when not of the nature of a letter), and any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however,

of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

INLAND PATTERN AND SAMPLE POST.—For a packet of patterns or samples the postage is 2d. for every quarter of a pound or fraction thereof. The postage must be prepaid in stamps, or it will be charged double. If the packet be over 24 oz. in weight it will be charged as a letter. There must not be any writing or printing, except the address, trade mark, number or price of the articles, which must not be on loose paper, but firmly attached to the samples or bags containing them. Any loose inclosure will be taken out, and charged as an unpaid letter, with an additional rate of 1d.

The patterns or samples must be in covers open at the ends, so as to be easy of examination. Samples of seeds, &c., may be inclosed in boxes of cardboard, or bags of linen or other material, but so fastened that they may be readily opened, otherwise they will be treated as a letter.

Scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, may be sent, provided they be packed in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time they may be easily examined. Any packet containing such articles as these, which is found not sufficiently guarded, will be stopped, and notice given thereof, but it will be charged with a fine equal to the postage to which it was liable as a packet of patterns.

A packet of samples or patterns may be kept back by any head postmaster for twenty-four hours when requisite, to prevent any delay to the regular transmission of letters.

Except that the rates of postage are higher, books and patterns can be sent to the colonies and many foreign countries. If sent to France or Portugal it must not exceed 18 in. in length. If to Germany or Russia it must not exceed 8 oz. in weight.
